Dickey's Barbecue Pit is a true American success story. In 1941, Travis Dickey opened the first Dickey's Barbecue Pit in Dallas, Texas. Dickey was a true Texas character with a passion for authentic, slow-smoked barbecue. Since the beginning, Dickey's Barbecue Pit has been a truly family business. Back then, the menu included beef brisket, potato chips, beer, bottled milk, and sodas.

20 years later, Dickey's Barbecue Pit expanded throughout north Texas and quickly became known for their mouthwatering hickory-smoked barbecue. The brand has come a long way. With more than 500 restaurants, loyal guests are what keep Dickey's thriving. But some things never change. Dickey's Barbecue Pit still slow-smokes all meats on site and serves up the same quality barbecue recipes handed down for generations the same way they did in 1941.

Today we welcome you to the Dickey's family and thank you for becoming part of history as we share the love for LEGIT. TEXAS. BARBECUE. around the world.
